

HACK/SLASH™

A comic book illustration featuring Cassie Hack in the center, holding a baseball bat with 'KISS' written on it. She is surrounded by several slasher movie villains: a large pink alien-like creature (Jason Voorhees) at the top left, a pale man with a wide, toothy grin (Michael Myers) below him, a stitched-up mask (Leatherface) at the bottom left, and a woman with a jack-o'-lantern face (Megan LeMay) at the bottom right. Cassie is wearing a green tank top with 'MURDERERS' and a bat logo, black fingerless gloves, a black choker, and a studded belt. The background is a solid purple color.

MY NAME IS CASSIE HACK.

MAYBE YOU'VE HEARD OF ME; MENTIONED ON LATE NIGHT RADIO SHOWS THAT TALK ABOUT STRANGE VISITORS FROM ANOTHER PLANET IN THE NEXT BREATH.

MAYBE YOU'VE SEEN BLURRY PHOTOS OF ME ON SOME WEBSITE WITH A U.R.L. YOU ALWAYS MAKE SURE TO CLEAR OUT OF THE BROWSER HISTORY.

YOU MIGHT KNOW THE BASIC STORY...THE VICTIM GOES AFTER THE SLASHERS. THE SERIAL KILLER OF SERIAL KILLERS.

THE FINAL GIRL WHO WALKED INTO SEQUEL AFTER BLOODY SEQUEL.

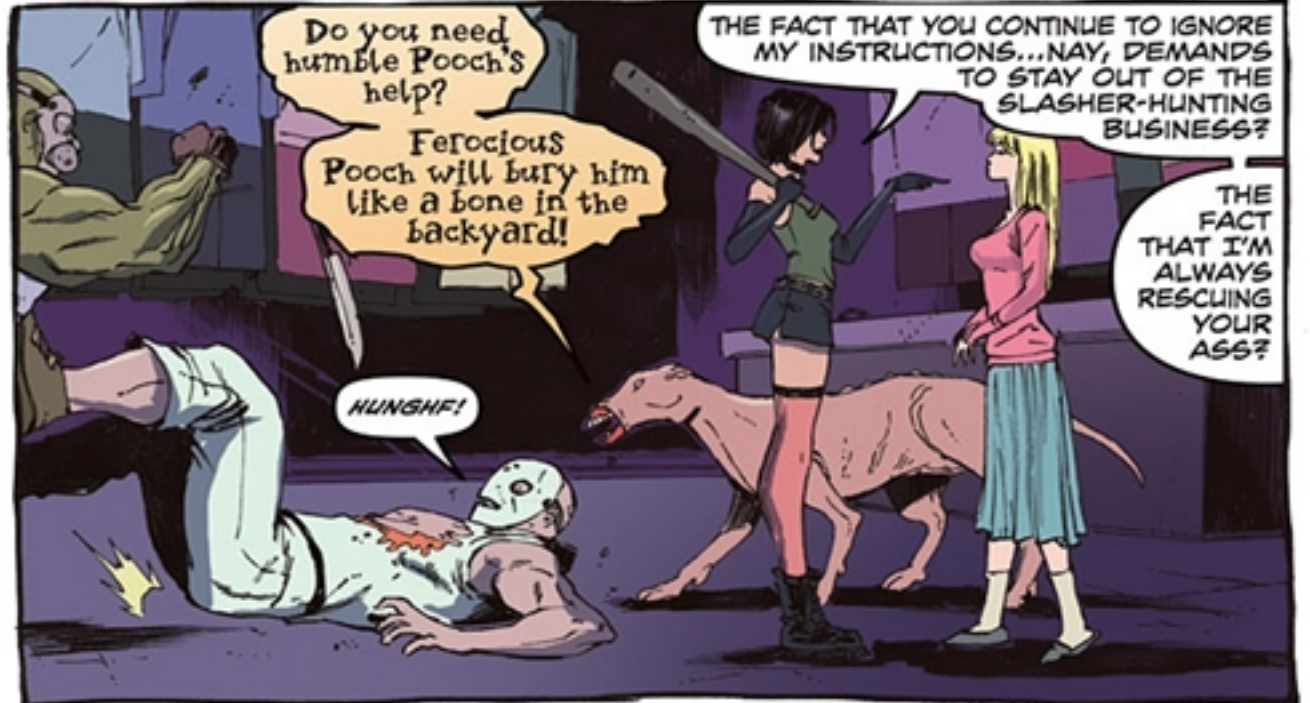

THERE'S MORE TO IT THAN THAT. IMPORTANT PIECES TO THE STORY THAT MAKE IT SOMEONE'S DARK LITTLE LIFE INSTEAD OF A TAGLINE.

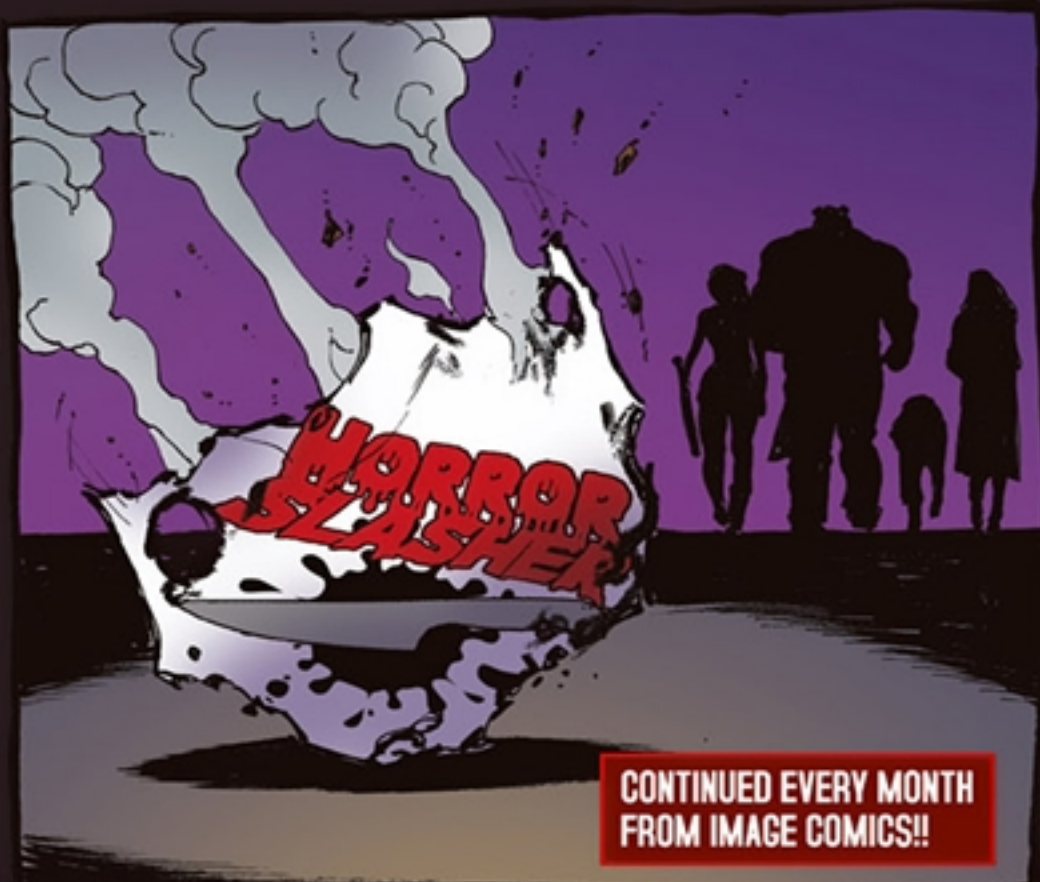

THERE'S A LONELY LITTLE GIRL. THERE'S AN OVERPROTECTIVE MOM WHOSE HATE KEPT HER FROM STAYING IN HER GRAVE.

THERE'S ALSO THE BETRAYAL OF WOULD-BE FRIENDS, THE ACCEPTANCE OF ALLIES, AND A WHOLE HOST OF SINISTER MOTHERFUCKERS WHO NEVER MET A SCANTILY CLAD VICTIM THEY DIDN'T THINK WOULD LOOK BETTER WITH A NINE INCH INCISION.

AND, MOST IMPORTANT OF ALL...
